

MEUM PRIVATE ACCEPTABLE USE POLICY

PLEASE READ THE TERMS OF THIS POLICY CAREFULLY BEFORE USING THE SITE

What's in these terms?

This acceptable use policy sets out the content standards that apply when you use or link to our site, upload content to our site, or interact with our site in any other way.

Who we are and how to contact us

www.meum-private.com is a site published and operated by MEUM Private Office Limited ("We").

To contact us, please send us an e-mail to enquiries@meum-private.com or call us on 020 7129 1473.

By using our site you accept these terms

By using our site, you confirm that you accept the terms of this policy and that you agree to comply with them.

If you do not agree to these terms, you must not use our site.

There are other terms that may apply to you

Our website terms and conditions [here](#) also apply to your use of our site.

We may make changes to the terms of this policy

We amend these terms from time to time. Every time you wish to use our site, please check these terms to ensure you understand the terms that apply at that time. You are also responsible for ensuring that all persons who access our site through your internet connection are aware of these terms of use and other applicable terms and conditions, and that they comply with them.

Prohibited uses

You may not use our site:

- In any way that is unlawful or fraudulent or has any unlawful or fraudulent purpose or effect.
- In any way that may adversely affect our reputation and/or our business, legal and financial interests

- For the purpose of harming or attempting to harm minors in any way.
- To bully, insult, intimidate or humiliate any person.
- To send, knowingly receive, upload, download, use or re-use any material which does not comply with our content standards.
- To transmit, or procure the sending of, any unsolicited or unauthorised advertising or promotional material or any other form of similar solicitation (spam).
- Knowingly to transmit any data, send or upload any material that contains viruses, Trojan horses, worms, time-bombs, keystroke loggers, spyware, adware or any other harmful programs or similar computer code designed to adversely affect the operation of any computer software or hardware.
- In any way that involves child sexual exploitation or abuse.
- To upload terrorist content.

You also agree

- Not to reproduce, duplicate, copy or re-sell any part of our site in contravention of the provisions of our terms of website use here.
- Not to access without authority, interfere with, damage or disrupt:
 - any part of our site;
 - any equipment or network on which our site is stored;
 - any software used in the provision of our site; or
 - any equipment or network or software owned or used by any third party.

Interactive services

We may from time to time provide interactive services on our site, including, without limitation:

- reserved client services;
- data room or other data sharing facilities;
- bulletin boards; or
- other interactive services which are ancillary to the services we provide.

Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical).

We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of our content standards, whether the service is moderated or not.

The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not fool proof. Minors who are using any interactive service should be made aware of the potential risks to them.

Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.

We do not store terrorist content.

These content standards apply to any and all material which you contribute to our site (Contribution), and to any interactive services associated with it.
